ASK YOUR MP TO STOP ABORTION UP TO BIRTH The abortion lobby is running a campaign to fully 'decriminalise' abortion, which would introduce abortion up to birth!

Right To Life UK has launched an easy-to-use tool on its website which makes it simple for you to send an email to your MP asking them to oppose the introduction of abortion up to birth. Please visit www.righttolife.org.uk/noabortionuptobirth to contact your MP now.

HEALTH & SAFETY TRAINING To foster the development of a robust health and safety culture, the Catholic Insurance Service (CIS) has generously provided the Diocese of Leeds with access to ten E-Learning training modules. These modules are designed to assist clergy and volunteers in undertaking essential and, in some instances, obligatory training. For instance, compliance with manual handling training is legally required for personnel involved in lifting, lowering, pulling, or pushing activities.

The allocation of training modules will be based on the individual's specific job role, type of work, and tasks. Each online module has a duration ranging from 20 to 30 minutes.

Individuals serving as Caretakers/Handymen, Cleaners, Stewards, Flower arrangers, or those involved in providing refreshments such as tea, coffee and meals will have their email addresses submitted to the diocese, ensuring their participation in the training. Thank you for your cooperation in this matter.
