CONSENT TO THE SAFE USE OF IMAGES - With the help of Maggie, the children and parents of Footsteps have unanimously voted to blur the faces of children on all photographs, to ensure the safeguarding of these vulnerable individuals. We are still in the midst of obtaining consent from parents of parish children to authorise or deauthorise the use of their images via photography or film. To ensure safeguarding of the said individuals, only the leaders and helpers of the Children's Liturgy group should be taking photos for the Good Shepherd social media site. Thank you, Julie.

SAFEGUARDING IS EVERYONE'S RESPONSIBILITY Our parish aims to ensure safety for all through a diocesan-approved recruitment process -Safer Recruitment of all Volunteers. Current volunteers that do not require a DBS check will need to undergo level 1 safeguarding training. I will be approaching this task group by group, maybe starting with the musicians then moving on to others like the flower group for instance. This notice serves as an advance warning; more details will follow once I have collated a list of all current volunteers. Thank you, Julie.
